KING'S HOME

Memorandum

To Whom It May Concern,

During the 2016 calendar year there were no founded allegations of Youth-on-Youth or Staff-on-Youth Sexual Victimization with the King's Home Facility.

The King's Home adheres to federal PREA standards consistent with the objective of providing its students a safe and secure environment. All students continue to receive PREA education on a regular basis, and PREA training continues to be provided facility wide.

Sincerely,

Robby Allen
